

What is a Sold Secure Lock?

Sold Secure is a company that rates locks based on their performance under rigorous security tests. For the latest information on rated locks, visit the Sold Secure website.

How do I know if I have an approved lock?

The approved lock you need will vary depending on the insured value of the bike: Bikes insured for less than £1,500 – a Sold Secure Silver rated lock. Bikes insured for £1,500 or more – a Sold Secure Gold rated lock.
